

# Step 1: NIH Certification

Before starting any PBRN, you must be NIH certified.

You must complete this tutorial to become NIH certified:

[https://phrp.nihtraining.com/users/login.ph](https://phrp.nihtraining.com/users/login.php)

[p](https://phrp.nihtraining.com/users/login.php)

Once you fill out the registration form and submit, you will see the page below. Click on “Click here to begin”

**You are now registered for the Protecting Human Research Participants course. [Click here to begin.](#)**

If you would like to know more about how the course works, read this Overview page.

At any time, while you are taking this course, you can access the Help page in the menu at the top of the page.

---

## Overview of Course

***Protecting Human Research Participants*** online training consists of seven modules; each addressing the principles user modules are followed by a quiz.

The entire course will take approximately **3 hours** to complete.

	<b>Introduction</b>	
	<b>History</b>	
	<b>Codes and Regulations</b>	quiz
	<b>Respect for Persons</b>	quiz
	<b>Beneficence</b>	quiz
	<b>Justice</b>	quiz
	<b>Conclusion</b>	

## Key

 = quiz passed

 = section read

You'll then be directed to this Main Menu. Click on each section to read. Only 4 sections have quizzes which will be checked green when you complete them.

If you can't complete the tutorial all in one sitting, you can log out and log back in to finish it later.

This is what you're Main Menu will look like when you have finished. On the Right, you'll see 'Get Certificate', click on this to bring up your certificate.

You will need to then send a copy of this whole certificate or the certification number (for the certificate above: 1708640) to Courtney at [pbrn@icpa4kids.com](mailto:pbrn@icpa4kids.com)

**\*\*DO NOT** send a link to your certificate because it re-directs back to the NIH homepage.

# NIH Certificate Renewal

To stay current as NIH certified, you must renew your certificate every 3 years.

Welcome back, Courtney

### Retake Course

**Please Note!**

Selecting "Retake Course" below will clear and reset your progress. This allows you to retake the course from the beginning and to earn a new certificate with an updated completion date.

If you DO NOT want to clear all of your current progress with this course, [click here to return to the main menu](#) without any changes made to your data.

Participate in CME:  Yes, I wish to participate in the CME program, allowing me to apply for CME credit after I finish the course.

Retake Course

After clicking on “Renew Certificate” on your main page, you will be prompted to re-take the course to renew your NIH Certificate. Click ‘Retake Course’ and go through each section and take the quizzes as described previously.
